2Connect Youth & Community is a leading non-profit organisation providing holistic services to empower youth, families and communities in the South East Sydney region and surrounds for over 32 years.

## HOW WE SUPPORT YOUNG PEOPLE

- Provide you (eligible young people aged 15-24) with intensive support from Youth Support Workers to meet your education and employment goals
- Work WITH you to set your own goals & create your own job plan
- Empower you with skills & information to be job-ready or to get connected with education
- Provide you with help to overcome any barriers or hurdles you may be facing, & link you with specialist personal support programs eg. mental health, family & financial
- Assist you to secure and sustain employment, apprenticeship, traineeship, work experience or education, and we will follow up to make sure it's going well
- Provide a comfortable space and in some situations, it is possible for us to travel and meet in a location more convenient for you
- For eligible young people, we have access to financial assistance for materials or other services to aid in employment or education where this is needed (brokerage).

## HOW WE ASSIST EMPLOYERS

- We assist you to recruit young employees (at no cost) who are ready to work
- We work with you to understand what you are looking for in an Employee, find the right young person to meet your business needs and equip them with the necessary skills for your business.
- Employers are offered a youth wage subsidy for eligible young people, to help you take on new starters, and to cover hiring and training costs
- Post-placement support will be provided to ensure that your expectations are being met and that it is a job successful placement
