33 YEARS IN THE
COMMUNITY

ABOUT US

2Connect Youth & Community are a leading not-for-profit providing holistic services to empower youth, families and communities in South East Sydney region and surrounds for over 33 years.

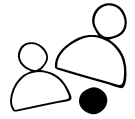

OUR PURPOSE

We provide services to create positive change for young people, families and communities, with a foundation of equity, human rights and participation.

We deliver holistic ways to address community concerns in areas such as mental health, physical health, safety, housing, relationships, education and employment.

To find out more or to get involved, visit our website at 2Connect.org.au or call (02) 9556 1769.

YOUTH SERVICES

We believe when young people are given high quality support and knowledge, they are empowered to make positive changes and build a positive future.

YOUTH & FAMILY SUPPORT

We provide support to young people and their families to build strong relationships. Reconnect supports youth who are having issues at home and/or school to connect with family, education, employment and their community through case management, counselling, family support & groups.

EDUCATION

Young people who need support with education or are disconnected from school, are supported to improve their situation. We also provide life skills education & one-to-one support.

ALCOHOL & OTHER DRUGS

We assist young people & their families who want support with alcohol & other drug concerns through the Ready service. We provide practical and emotional support (case management & counselling) and also deliver a range of educational and prevention workshops and programs.

MENTAL HEALTH & WELL-BEING

Young people are provided with tools to overcome mental health challenges. We provide one-to-one and group workshops through School Well-Being projects. We also facilitate education and awareness on health and well-being matters.

EMPLOYMENT

Young people are supported to meet employment goals. Transition To Work provides intensive support for young people to obtain employment, apprenticeships, traineeships, work experience or education.

YOUTH HOMELESSNESS

We support young people who are homeless or at risk of becoming homeless to stabilise their living situation.

DIVERSITY

Diversity should be celebrated - we are helping youth do so through one-to-one support, small group workshops as well as larger scale educational initiatives for a range of diverse needs.

COMMUNITY SERVICES

We believe in building stronger communities through high quality services, that empower people to make positive changes and build a positive future.

PREVENTING HOMELESSNESS

Helping Hand is our long established service which specialises in the prevention of homelessness for people 16 years and over who are at-risk, or are already homeless.

CULTURAL HARMONY

Our aim is to create a community where we live harmoniously together and value each other's diversity. Several of our projects focus on this area.

COMMUNITY DEVELOPMENT

We are involved with a range of projects, partnerships, advocacy work and facilitate training on specific on-going local issues and needs for young people, families and within the community.
